

17 Years of Growth on the Alabama Gulf Coast!

Since 2009, we have proudly expanded our distribution along the Alabama Gulf Coast, reaching new heights in coverage and accessibility. Today, nearly **half a million copies** of the Free Tourist Book are distributed annually, and our **innovative digital coupon solution** offers an exciting new way to connect with customers.

Our **network of distribution partners** continues to grow, including Rouses Markets, over **40 VRM companies** that provide our books in arrival packets, and numerous cleaning services that ensure our books are available in rooms after each cleaning. Additionally, nearly **40 convenience stores** feature our books in stands or checkout displays, while hotels and participating advertisers prominently showcase them.

Now, with the **new Gulf Shores International Airport**, our reach is expanding even further. This airport is transforming travel to the Alabama Gulf Coast, making it easier than ever for visitors to access the region. With **Allegiant Airlines launching six nonstop routes** from Gulf Shores, travelers from major cities across the country can now arrive directly, increasing tourism and business opportunities. This enhanced connectivity means more exposure for our advertisers and a broader audience for our publications.

Whether you're looking to **tap into the immense marketing potential** of one of our publications or ready to go "all in" and become part of all three, we are excited to help you grow your business. As we continue expanding into the next decade and beyond, we look forward to supporting our partners and advertisers in reaching every corner of the Alabama Gulf Coast!

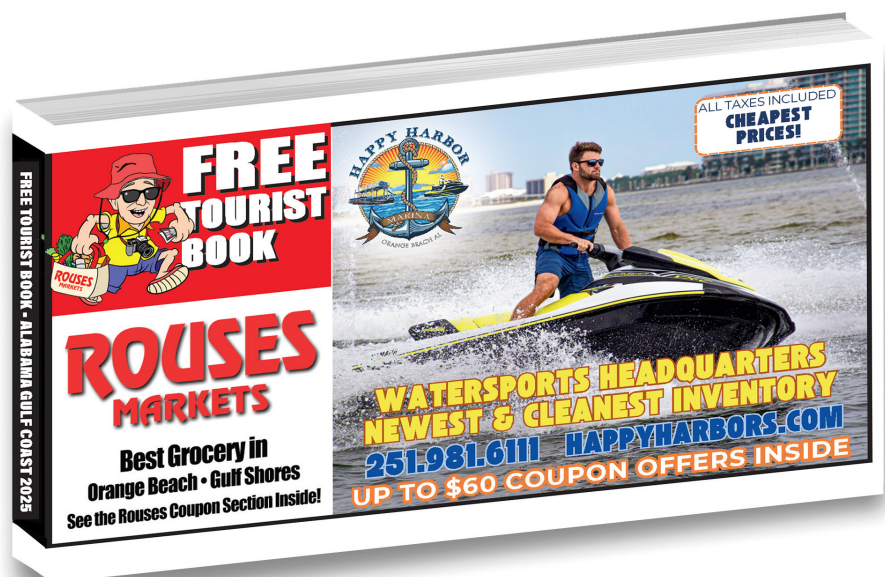

We look forward to working with you!
